Wow! Wasn’t Midwinter Conference at Pigeon Forge a great way to start our Cedar year? There were members, spouses, visitors and guests from nearly every state in the Cedar Kingdom. From the feedback I received, much fun, frolic and fellowship was enjoyed by everyone.

To each attendee, I sincerely thank you for your participation. By being present you were part of a historical event, that of having installed the first Supreme Tall Cedar from one of the “southern” states. As Masons and Tall Cedars we have celebrated this event together.

Recently, an individual told me that I expected a great renaissance in Cedarism. I may have huge expectations but I believe we may be on a new path. I also believe that a significant increase in membership is achievable. The Board of Directors recently made a commitment to examine our westward expansion. We have heard from members-at-large and non-cedars who have expressed a desire to establish Forests in their respective Masonic jurisdictions. These requests are being reviewed and considered by the Extension Committee.

As always, we should remember our philanthropic obligation, which define us as Cedars. Our Goodwill Ambassador, Dalton Al-Chokhachi, is a brave and delightful young man who struggles each day with the neuromuscular effects of MD. You can follow him on Facebook and he and his family plan to attend our Convention in May at Wildwood, NJ. If you would like a visit from him and his family, please contact Dave Werner at 717-870-3292.

In closing, I would again like to thank each of you for your encouragement and support. Please find elsewhere in this Digest, a letter from Don Saylor, our oldest living Past Supreme Tall Cedar, having served the Cedar kingdom in 1970. Although he was unable to attend Midwinter Conference, his plan was to be present and address the Cedar body. At the young age of 90, he continues to express passion for Cedarism.

See you at Convention in May!

Cedarly, in Brotherly Love

Supreme Tall Cedar:

First let me congratulate you for achieving this awesome position, as it is not to be taken lightly, for it requires a great deal of time, energy and good judgment in order to succeed. The future of our great fraternity rests wholly on your shoulders if we are to survive.

Be reminded of the advise given by Thomas K. Sturgeon, P.C.M. of Pa. who said, "we must recognize that to change nothing is to do nothing and to do nothing is a guaranteed avenue to failure."

Recent heart health problems will not permit me to attend the mid winter conference and your installation as I had hoped.

Please convey my warm fraternal greetings to everyone and my wish for a successful year.

Cedarly,

Donald E. Saylor
PSTC 1970
Midwinter Conference is finished in Tennessee. If you did not attend, you missed a good event. As always, in my travels around the Cedar Kingdom, your reception is great. Susie and I like attending the Ladies Nights and special Forest events. If you would like me or any other Supreme Forest Officer to attend an event you are having, an invite is always welcome. The Supreme Forest has a website with a list of events that you can add to. If your calendar for the year is not posted, get it posted.

I know you all get tired of hearing about membership. Membership and retention of current members is very important. If every Forest would increase their current membership by 10% or even 5%, there would be more members that could help out and enjoy what Tall Cedars has to offer.

POSITIVE THINKING and a POSITIVE ATTITUDE are very important for the success in every aspect of our lives. I need you to do something for me, yes you. Start your day with a positive attitude, the first person that says something negative thank them and let them know that they have ruined your day. I want you to do one more thing for me and for your benefit. We all have a Bible hiding somewhere in our house. Proverbs has 30 chapters, one for every day of the month. Read one chapter every day and repeat. King Solomon was the wisest and richest man that ever lived. Some of that wisdom might rub off on you and make for a more richer life.
Greetings Fellow Sidonians,

It is January, just after our 2018 Midwinter Conference, as I write my first message to you as Junior Deputy STC. Now is a time to both reflect on the past and to look forward to the future. So I offer a belated “Happy New Year” to you and yours! I also would like to thank each and every one of you for your help in supporting your Forest, the Supreme Forest, and the Tall Cedar Foundation. The Midwinter Conference was a great success. We honored those leaders who made a difference in 2017. We thanked “Little Mark” for his year as our Goodwill Ambassador for MD – he was a great representative for the Tall Cedars and the Muscular Dystrophy Association. We welcomed this year’s Goodwill Ambassador, Dalton Al-Chokhachi, and his parents David and Stacie. Who was not moved by his mother’s remarks as she passionately told of Dalton’s illness, the reaction of others, and the support the Masonic fraternity has given their family? We installed James R. Morrison, Jr. as Supreme Tall Cedar, Leslie G. Metcalf, Jr. as Senior Deputy STC, as well as new and returning Officers, Directors, District Deputies, and Foundation Officers, Directors, and Trustees. Congratulations and thanks to all! We had good attendance, productive Supreme Forest and TC Foundation Board meetings, an informative general session, great banquets, and most importantly, much fun, frolic, and fellowship.

Looking forward, I will be learning and relearning my “ABC’s” during my three year journey in the Supreme line. I challenge each of you to join me in focusing on the following points:

A is for Advancement: We need to ensure the long-term viability of Tall Cedars by addressing the administrative issues of membership and finances. It is less important to look back and talk of the way things were as to look forward and think of ways to do things more efficiently and cost effectively. STC James Morrison, Jr. has made expansion of the Cedar Kingdom north, south, and west as one of his major goals in 2018. The SF Board of Directors has endorsed this goal. We need to work together to support this goal. At the same time, we need to grow the existing Forests. I would like those of you who haven’t attended a meeting in a while to come out and enjoy the friendship with your fellow Cedars and the satisfaction of working for a good cause. Rediscover why you became a Cedar in the first place!

B is for Blessings: We are each blessed in various ways. Some members are very good with ritual, some are not; some are hard workers, some less so; some are musical, some can’t carry a tune; some are leaders, some prefer to follow; some are financial wizards, some don’t like to balance a checkbook; some are detail oriented; some are not. Find a place where you can help your Forest - be it as an officer, a member of a color guard, a fundraiser for the Foundation, a clown, etc. On a wider scale, we have a responsibility to share our talents with others and help make our communities, our nation, our world a better place for all.

C is for Charity: We need to stay focused on our charitable cause – helping to find a cure for neuromuscular diseases. The Tall Cedars have supported the Muscular Dystrophy Association from the beginning. Our contributions, along with many others, have helped the medical community make great progress in combating this family of diseases. Research first identified the biological factors impacting the muscles and nerves, then the genetic causes of these diseases, and now we are experiencing significant advances with drugs to reduce the severity of symptoms, to stop the progression of the disease, and to cure some variations of the disease. With everyone’s help we can raise even more for the Tall Cedar Foundation in 2018.

In closing, it is an honor and privilege to serve you as Junior Deputy Supreme Tall Cedar. Working together with Supreme Tall Cedar James R. Morrison, Jr., Senior Deputy Supreme Tall Cedar Leslie G. Metcalf, Jr., and all of you, we can make 2018 a year to remember.

In 2014/2015, PSTC Barry Sheaffer and I realized that budgets developed by the Senior Deputy STC were essentially “meaningless”. They were meaningless because they were developed many months in advance of their implementation. They need to be published in the Spring edition of the Cedar Digest and approved by the membership at Convention in May.

The first proposed versus actual budget was developed in 2015. The Supreme Forest Board of Directors approved a resolution allowing the proposed budget to be updated and revised at the December Board meeting. This affords an opportunity to use current up to date information and not data that is nearly a year old. With some “tweaking” over the past three years, the budget has become a useful roadmap in day to day operations and in predicting our financial future.

With the aid of the monthly financial report and a realistic budget, the Board can clearly see the need to decrease or control expenses and where possible increase income.

As Supreme Treasurer and Chairman of the Finance Committee, I have a fiduciary responsibility to the Supreme Forest in general and the membership in particular. I will strive to uphold that charge.

Supreme Chaplain
REV. EDDIE D.D. MILLER

As I begin my fourth year as Supreme Chaplain, each year has held new opportunities in being a part of Tall Cedarism! Those opportunities have begun with the Midwinter Conference. It is there that we receive our new Supreme Tall Cedar with his dreams and visions for the Kingdom! For me, it is in meeting and then working with them that encouragement and excitement go hand-in-hand. Unlike the unpredictable weather for this event each year, our vision of finding a cure for MUSCULAR DYSTROPHY IS SOLID!

Spending time with other Cedars and their families has always provided good fellowship. As in Luke 4, Jesus preached about being there for the poor and suffering of this world. When we as a conference were introduced to Dalton, our 2018 Goodwill Ambassador, I was uplifted hearing his mother thank us for so completely being there for them providing their needed support! As Cedars, we stand with each Goodwill Ambassador each year.

In I Corinthians 12, the Apostle Paul writes how we need each other in order to be complete! Not one of us is greater nor lesser than another. We are known both by our gifts and graces that we have been given. In this, we as Cedars can rejoice and make our slogan of FUN, FROLIC and FELLOWSHIP truly come alive! Let us lift up our brothers in Cedarism and allow it to be the best it can!

Fraternally yours,
Rev. Eddie D. D. Miller, Supreme Chaplain
MDA Summer Camp

As Tall Cedars we are all connected to MDA. The following email was directed to me, but it is for all of our members. Many of you have gone to and participated in an MDA camp, and had the time of your life working with the kids.

I hope this email finds you well. It may still be January, but we are already looking forward to MDA’s most anticipated week of the year: MDA Summer Camp. It’s because of your continued financial support that MDA is able to provide this unparalleled experience at no cost to families.

Because you are so invested in MDA’s Summer Camp program, I wanted you to be among the first to hear about some exciting camp enhancements that will strengthen the program in 2018 and for years to come.

• For the first time, MDA families will have the flexibility to choose a Summer Camp location that is the best and most convenient for them – even if the camp is outside their community. This new flexibility will allow parents and guardians to make a camp decision that is best for their family.
• Over the past 6 months, we’ve consulted camp and disability industry experts to evaluate each camp location to ensure each is best in class. In some instances, we have contracted with new camp locations which offer better facilities, more accessibility, greater on-site activities, stronger programming and even upgraded meals.
• In order to continue offering the highest-quality and safest camper experience possible, we may merge some MDA camps in 2018 – resulting in fewer camp locations. All children currently registered with the Association, however, will continue to have access to an MDA summer camp. And, we look forward to onboarding additional camps, where possible, in 2019.
• Volunteers have long been, and always will be, the foundation of the MDA summer camp experience. That will not change. Moving forward, however, MDA will also use some full-time camp experts to help ease some of the volunteer workload and allow for more specialized camp activities geared toward the children we serve.
• Finally, using feedback from parents, volunteers, staff and camp experts, the age eligibility for MDA campers will be changed to include children between the ages of 8 and 17. All campers must also be registered with the Association and have a neuromuscular condition covered by MDA. (Campers who have attended MDA camp previously and are still under age 8 are welcome to apply to attend camp in 2018.)

Your local MDA team looks forward to sharing more details as they become available, and work on new ways that you can be an important part of the camp experience. We need your help now more than ever.

I can’t thank you enough for your dedication and support of MDA. It is because of people like you and amazing companies, organizations and communities, that MDA continues to thrive and can improve our programming – like this – so that we can be in service to our families in the best way possible.

If you have any questions about Summer Camp, please let your local MDA team know.
Best wishes, Karen Alexander, Executive Vice President, Chief Philanthropy Officer

Please try to get to your local MDA camp and help for one day. You will get a big reward in your heart. When you receive the Foundation’s Annual Appeal letter, please be generous.
Dalton was born on August 5th, 2004. At the age of six, he was diagnosed with Duchenne Muscular Dystrophy. Cordova, Tennessee is home to Dalton, his parents Stacie and David, his sister Marissa, and three pets; a dog, a pig, and a chicken!

Homeschooled by his mom, Dalton is in 7th grade. He may be shy at first, but once he gets to know you, you’ll be entertained by his pleasant personality. Wait until you hear his jokes!

In the words of his mother, “He is so amazing, brave and strong! He is my Hero!”

We feel sure that Dalton and his family will be wonderful representatives for the Tall Cedar Foundation.

Members of the Supreme Forest and brothers all. It has been an honor and a privilege to serve as a Supreme Director this past year. The fulfillment of these duties is a great responsibility and a learning experience as well. I have always had a passion for our fraternity, its charity and what it represents to our communities. My home Forest is Georgia #181 where I served in all the line positions preparing me for the role of GTC in 2007. My appointment as Trustee in 2007 started me on the path toward my term as a Foundation Director in which capacity I served until 2017 when I was appointed Supreme Director of Region 9.

My Masonic journey began with my initiation as a DeMolay in 1954. I learned valuable leadership lessons which would serve to guide me in life. After a successful term as Master Councilor, I was awarded the degree of Chevalier. I was also active in Boy Scouts and earned the rank of Eagle Scout in the same year. This experience provided another set of life values which served me in life as well.

I was raised as a Master Mason in Palestine Lodge #486 in 2000. After serving in various line officer positions, I became Worshipful Master in 2005. I am a member of Scottish Rite Valley of Atlanta and participated in the Scottish Rite Guard, later serving as Venerable Master of Kadosh. I was president of the Scottish Rite Association of Cobb County and currently serve as treasurer of the KCCH.

Always seeking more light, I joined all York Rite bodies, Eastern Star and the Shrine where I participate in the Knights of Mecca which supports degree work in the Blue Lodges. I am also a member of the Royal Order of Jesters.

All of these Masonic activities came after earning a BA from the University of Wisconsin and an MBA from the Duke Fuqua School of Business. My career path included management positions in sales, marketing, and finance at Ford Division of Ford Motor Co. for twenty years prior to becoming National Sales Manager of Leasing and Rental for Chrysler Corp.

Numerous corporate transfers led me to Atlanta where I became a financial advisor for the Edward Jones Co. for the past 26 years. I recently retired and found new time to devote to Tall Cedars in my current position as Supreme Director of Region No. 9.

PROPOSED CHANGES TO THE
SUPREME FOREST CONSTITUTION & BY-LAWS

Regarding Proposed Changes 18-1 & 18-6, please note the following:

Whereas:

- The position of Constituent Forest Delegate has been over-ridden by approval of amendments to the Constitution and By-laws at the 2017 Annual Convention.
- Thus, as of January 1, 2018, all members in good standing of a Constituent Forest will have voice and vote on all proposed actions at an Annual Convention except voting in Supreme Officer Elections.
- Those Constituent Forest Delegates who successfully served in accordance with the Supreme Forest By-laws for three (3) continuous years are members of the Supreme Forest based on those years of service.

Considering the above statements, amendment 18-1 becomes a housekeeping function to preserve the Supreme Forest membership these men have earned and 18-6 is to remove all other reference to Constituent Forest Delegates from the Supreme Forest Constitution and By-laws.

Regarding Proposed Changes 18-2, 3, 4, 5, 7, & 8: These proposed changes are intended to end the scheduling of a Midwinter Conference immediately after the Midwinter Conference of 2020. These proposed amendments need to be approved at the Annual Convention in 2018 and will be effective January 1st, 2021.

PROPOSED CHANGES TO THE CONSTITUTION

18-1 ARTICLE III—MEMBERSHIP

A. Membership in the Supreme Forest shall consist of:

5. any member, in good standing, of a Constituent Forest currently serving having successfully served for three (3) continuous years as a Constituent Forest Delegate to the Supreme Forest (as defined in Article IX, Section D of the By-laws of the Supreme Forest) or any member after having successfully served for three (3) continuous years as Constituent Forest Delegate to the Supreme Forest.

The Masonic Widows Guild

The Grand Master of Masons in Pennsylvania Raymond Dietz recently announced a new program to reach out and extend a hand to provide fellowship, guidance and support to widows of Pennsylvania Masons and affirm that she is still a valued member of the Masonic Family. Thus the Masonic Widows Guild was formed. Membership in the Widows Guild is open to any widow whose husband was a Pennsylvania Mason. Group events are hosted throughout various locations for the purpose of building support groups for one another and to recognize Masonic widows with the Masonic Blue Slipper Pin and Personalized membership card.

The Blue Slipper Pin which is universally recognized among Masons, serves to identify the wearer as the widow of a Mason. If you know a widow who would be interested in receiving a Widow Blue Slipper Pin and becoming a member of the Widows Guild, please contact the Masonic Outreach Program in Elizabethtown at 1-800-462-7664 to find out when the next available event in your area will take place.

The Fall Luncheon for the Pennsylvania Masonic Widows was held in Carlisle, PA on November 2017

A Note from the Parade Features Committee

The Parade Features Committee wanted to take this opportunity to thank Supreme Tall Cedar, James R. Morrison, Jr. and Supreme Officers, Forest Officers, Members, Tall Cedars all for the trust and support for this year’s Convention Parade Saturday May 12, 2018, stepping off at 10:00 AM sharp.

It’s customary at this point to thank everyone that participated in last year’s Parade, but wait, that nasty Nor’easter had its way with Greater Wildwood that day. It was a difficult decision for the Supreme Tall Cedar, Mark Brumaghim, PSTC Bud Willard, and the Committee to cancel the Parade, but it was the right decision.

The Committee is looking forward to this year already and is engaged with the Greater Wildwood Chamber of Commerce in search of ways to enhance the experience. There are ongoing discussions to make positive changes that the Tall Cedars will benefit from and improve the weekend Fun, Frolic, and Fellowship. In 2016, the Parade route was shortened by 2 blocks. It is also our hope that local residents will witness the Parade and high school bands will take part in the celebration. We encourage you to join us in 2018. It’s never too early to start planning. If your Forest is a regular participant, thank you, and we hope you continue to be. If not a regular, consider getting involved. The traveling trophy was unveiled for Parade “Best-In-Show” with Trenton Forest No. 4 earning the award in 2016. I have been told that Trenton intends to repeat. Make your plans now to claim the Best-In-Show trophy for your Forest in this year’s Parade.

Look for more correspondence regarding the Parade and get those registration forms in on time. Let’s build on last year’s mantra to “Make the Convention Parade Great Again!” An urgent call for help….we need at least two more Parade Marshals to line up for the procession. Those serving will be rewarded monetarily and many times over with the satisfaction of being part of the inner workings that make the Parade possible. Please contact me if interested in serving.

As always, the Committee wants to accommodate any and all requests to make your Parade experience better. We welcome your comments and questions. Please contact a Committee member at your convenience.

Yours in Cedarism,
The Parade Features Committee

George Morgan, PSTC, SDGTC of Bethlehem Forest No. 61 Tall Cedars of Lebanon presented a donation to the Friends of the Bethlehem Mounted Police.

The Friends of the Bethlehem Mounted Police (FBMP) seeks to promote public safety and security, improve civic pride, secure essential funding, and raise awareness of the Bethlehem Mounted Patrol Unit. Its purpose is to promote programs to provide a safe community environment for residents, workers, and visitors to Bethlehem.

It is intended to enhance and strengthen the services of the City’s Mounted Patrol Unit and to enhance public awareness of the Unit, and promote civic spirit in support of public safety and security.

The Friends of the Bethlehem Mounted Police provide financial support through fund-raising to supplement City resources, and to meet the operating, program, and capital needs of the Unit. Also to promote a public-police partnership and increase public cooperation.

The majority of a mounted officer’s job is being in the public. In addition to being an appropriate part of the historic district, both officer and mount act as Goodwill Ambassadors to the city. Adults and children alike are attracted to the presence of a horse in the parks and on the city streets. For some, it’s a first-time encounter with a policeman, a horse or both. Our mounted officers are excellent representatives and take the time for community outreach. They play a positive role in the quality of life and tourism in our thriving city and help people feel both protected and proud of Bethlehem.

The Bethlehem Police Department’s Mounted Patrol Unit was restored to downtown Bethlehem in 2009 after a 63-year hiatus. The acquisition of Pharaoh, George, Asa, and Grey has provided the Bethlehem Police Department and the city with a valuable resource. The long-absent clip, clop of horses’ hooves echo back to an early Bethlehem tradition, but represent a contemporary solution to present-day police work in a lively city.
On November 12, 2017 I had the Honor of presenting the DeMolay Past Master Counselor Meritorious Service Award to Brother Kevin E. Bartels.

This award is given by DeMolay International and is Sponsored & Underwritten by The Supreme Forest Tall Cedars of Lebanon, North America.

I would like to thank the Senior Deputy Grand Tall Cedar of Richmond Forest No. 66, Kevin Flannery for accompanying and assisting in this endeavor.

I would also like to express my appreciation to M:. W:. Jeffery Williamson (Richmond Forest No. 66), Grand Master State of New York and R:. W:. William Sardone (Hudson Valley Forest No. 215), Deputy Grand Master State of New York for allowing me to present the award on behalf of the Tall Cedars of Lebanon.

Richmond Forest always makes sure that a great time is had by all. During the Midwinter Conference, Christopher Deats hit the 50-50 and donated it back to the organization, and PSTC Mark Brumaghim won the Masonic decanter we raffled off.

The much-anticipated education classes were missing and being the new Grand Tall Cedar, I was looking forward to that, but when speaking to other Cedars, all stepped up with phone numbers to reach out for any help if needed. What an honor it was to hear from many Brothers, thanking me for bringing the Fun, Frolic, & Fellowship back to Cedarism. We were the talk of the Conference with our frolicking! If they didn’t know who we were then, they know us now! Of course, our Forest shirts helped with that.

We handed out beer, moonshine, pins, and fellowship, talking to one another and sharing our knowledge with whomever was interested in listening. Many Brothers said they wanted to come visit Richmond Forest No. 66. Our doors are always open. I was also asked to keep doing what we do. Brothers are starting to enjoy Cedarism again. Some want it toned down; others are enjoying the ride, which we gladly offer. It was great having the officers of Richmond Forest there to support the fun and enjoyment. We had a wonderful time together and the more people who know of this, the better our numbers will be.
Tall Cedar Night at The Blue Rocks Baseball Game June 16, 2017

The annual event was started by a former Tall Cedar of Brandywine Forest No. 20 in 2005. Every year the Forest brings underprivileged children to the game of which most were DeMolay boys. They were treated to an all you can eat, non-alcohol drinks and ice cream. The ballgame came next, plus fireworks at the conclusion.
